

MEMBERSHIP IF YOU LIVE OUTSIDE OF THE UK

As we start Inkpots Inc, it is clear that we will have some children who wish to join who live outside of the UK.

Therefore, as **Inkpots** is UK-based we will need to make a few small adjustments.

- For the first 25 children who are signed up for membership, if any live in another country, the cost will be the same as everyone else as part of the opening offer.
- The main difference for the children will be the delivery of the newsletter. We will post these out on 13th of every month; we will be able to give you a guide of when your child should receive their copy depending on where you live.
- Any competitions, courses and challenges which are featured in the newsletter will take this into account.

As Inkpots Inc develops, we will review this guidance – but please feedback with any thoughts if this applies to you and your family.

Thank you

Gill
