

Inkpots Writing Workshops Year 7s Group

AGREEMENT

1. We want you to feel that the Inkpots group is somewhere you can relax, be yourself and talk about things freely. However, if you say something that really worries Gill and may suggest that you are being hurt in any way, or are hurting anyone else, Gill will have to tell the relevant authorities.
2. If there is only one person who turns up for the group, it will have to be cancelled. This is because adults cannot work with individual young people in a building on their own – this is for the safety of everyone concerned.
3. If you decide that you want to leave the session early, but your parents have not given permission, then Gill will have to tell your parents that you are not at Inkpots.
4. We will show respect for each other and not use sexist, racist or abusive language or behaviour at all.
5. We will make decisions as a group and will respect the view of the majority of people.
