## JUNGLE HIGH JINKS!

Jungles are amazing places and this theme will give us lots of ideas for stories and pictures?

Have you ever been to a jungle – or do you know anyone who has? One of our Inkpots went to Borneo a few years ago to see some gorillas.

What is your favourite jungle animal? I think mine is a jaguar.

How about setting a story in a jungle? Have a look at the sheet on Story Starters and see if you are inspired. Then do send us your story. Can't wait to read it!

How about a picture of a jungle – in our theme picture, the animals are cartoon ones, but you could draw more realistic ones if you prefer.

Another thing you could do is make a jungle collage. Real jungles are rich with different plants and trees as well as exotic animals. You can use lots of different types of materials.

We love the cheeky monkey picture too! Here's a monkey joke for you:

**Q: How do monkeys get down the stairs? A: They slide down the banana-ster!**

*Do you know any more jokes like this?*

If you enjoy making cartoon strips, maybe you could do a whole one about our cheeky monkey!
